**“Architecture
is some amazing quote
that I heard here now”**

Sometimes we feel overwhelmed with the many challenges that lay ahead. However, when we see the on children’s faces at the youth center, it motivates us to do more and makes it all worth it.

Sometimes we feel overwhelmed with the many challenges that lay ahead. However, when we see the on children’s faces at the youth center, it motivates us to do more and makes it all worth it.

And more thigns about stuff and we will keep filling space, More and more about sustainable education and such, and new projects, and why we’re awesome.

What’s Happening

- > Keep Up to Date: what projects are we currently working on now?
- > Reduce/Reuse/Recycle: how are local teens saving architectural lumber
- > Get Into Shape: join a team to transform some local vacant lots on your street
